Five-Bedroom Villa with Guest Apartment and Montgó Backdrop in Jávea

With the Montgó rising behind it, generous terraces and a substantial outdoor cabana, this five-bedroom villa in Jávea offers plenty of space for everyday living and for having family and friends to stay.

The property has approximately 381 m² of built space on a 1,105 m² plot. Accommodation is arranged over two main levels, with a split-level bedroom area off the main living floor and a guest apartment that can connect to the house or be accessed independently.
