In the quiet and green residential area of Adsubia, one of the most popular locations of Jávea, you will find this beautiful new build villa that combines the charm of a traditional Mediterranean finca with the comfort and quality of modern living.

Surrounded by mature pine trees and adjacent to a green area, this property enjoys exceptional privacy and tranquillity, while the Arenal beach, the port of Jávea, international schools, golf courses and all daily amenities are within a short distance.

Upon entering, you immediately notice the warm Mediterranean appearance. Natural materials,
