This stunning, recently renovated villa is located in the exclusive Piver urbanization, just a short distance from Javea's town centre and the beach. Thanks to its elevated position, the villa enjoys panoramic views over the beautiful Bay of Javea, the port, Cabo de San Antonio, and the impressive southern flank of the Montgó mountain. Renovated in 2026 and distributed over a single level, the villa features a spacious living-dining area with abundant natural light, a fully equipped high-end kitchen, a double bedroom with an en-suite bathroom (including both bath and shower), and two further bedrooms sharing a bathroom. Outside, there is a large covered terrace, a swimming
