186m²

1,055m²

N/A

Nestled in the exclusive and well-established urbanisation of El Tosalet, this villa in Jávea offers breathtaking panoramic views of the Mediterranean Sea, Jávea Bay, and the Montgó mountain.

Set on a 1,055 m² plot with a private garden and swimming pool, the property combines traditional Mediterranean architecture with endless potential. Natural Tosca stone arches, covered terraces, and bright open spaces capture Jávea's unique light and year-round outdoor lifestyle.

The villa spans 325 m² and includes four bedrooms, two bathrooms, a spacious living-dining area with a fireplace, an independent kitchen, and a charming interior patio that brings natural light and
