Villa in Javea

€3,495,000

5	4	320m²	800m²	✔

Discover this impressive renovation project, located in the prestigious La Corona neighborhood, just a stone's throw from Javea's port and beach.Properties in this highly sought-after area rarely come to market. Positioned on an 800 m2 plot, the villa enjoys a south-facing orientation that delivers sun exposure all day long across its 200 m2 of covered and open terraces, along with breathtaking panoramic views.The current classic Spanish villa spans three levels and will undergo a complete down-to-the-studs rebuild. It will be brought up to the highest modern standards while retaining its authentic character.Property Layout:Pool Level (Main Living Area): An expansive open-plan living
