This spacious Ático Dúplex Tipo 6, located in Block 3 of the Blue Gardens Jávea residential complex, is arranged over the second and third floors and offers a highly functional duplex layout with generous interior spaces and multiple outdoor areas.

On the main level (second floor), the apartment features a bright living-dining area with direct access to a private terrace, ideal for outdoor dining and everyday relaxation. This floor also includes a separate kitchen, an independent laundry room, storage spaces, a bedroom, and a full bathroom, making the layout practical for guests or flexible family living.
