Large detached furnished beautiful character country house with 3 bedrooms and 2 bathrooms and 3 fully independent guest accommodations with private pool with a plot of 11,100m² in Los Puertos de Santa Barbara.

The properties are in a fenced area of 3,000m² with the rest of the plot just open dry land. The 3,000m² is broken down further into accommodation areas and gardens including grapevines, lovely pool area and then a fruit tree area with pomegranate, lime, pear, orange, olive and almond trees.

The main house has beamed ceilings throughout and original floor tiles and consists of a large lounge with log burner and door out to an i...

ner courtyard and an arch to the entrance hall. There are 3 large double bedrooms, the master being en-suite with shower, W/C and wash basin. The second bathroom is off the lounge with shower W/C and wash basin. There is also a study which could be used as another bedroom if needed. The kitchen is real country cottage with a double sink and gas oven and hob and dining table and has a utility room with washing machine and dryer.

The first annex is designed to be 2 units of bedroom, kitchen and shower room in each but is currently laid out as just one large bedroom and large lounge with 2 shower rooms and 1 kitchen and a store room and has it's own garden area.

The second annex is 2 separate guest suites, both with their own front terrace and both have shower room, kitchen and lounge bedroom.

So in all there are a possible 8 bedrooms and there are 6 shower rooms.
