The property is on a quiet one way street, up past the old church museum Torre de los Caballos in Bolnuevo on a walled plot of 522m2.

Through the front door you enter an L shaped hallway, kitchen to the right, lounge and dining straight ahead and the bedrooms, bathrooms and internal access to the garage round to the left.

The large lounge has A/C and an open log fire and a large arch with a step up to the dining room...

. There is also a serving arch from the dining room to the kitchen. The lounge has sliding doors out to the big terrace with a view to the sea and from the terrace you have steps down to the kidney shaped swimming pool area and there are steps from here up to the solarium with lovely views.

The kitchen has upper and lower wood units with grey worktops and a double sink under the window. There is a half moon serving arch through to the dining room. Another door leads out to the terrace.

There are 3 double bedrooms. The master with en-suite has A/C, ceiling fan and fitted wardrobes and the en-suite has shower, W/C, wash basin with mirror above and a heater. The second bedroom has ceiling fan and fitted wardrobes and the third bedroom has fitted wardrobes and is currently used as an office. The family bathroom has bath, W/C, bidet, wash basin with mirrored vanity unit above.
