La Azohía is a favourite holiday destination offering a relaxing pace of life yet leisure activities abound in the area and Puerto de Mazarron is only a 10 minute drive where you will find plenty of shops, bars and restaurants. La Azohía is where the fishing boats still land every day and you can purchase fish straight from the boat. The crystal clear water surrounding La Azohia and Isla Plana makes it a favourite area for swimming and scuba diving and has a diving school nearby.

Alicante airport is around 80 minutes and the new Corvera airport is a mere 40 minutes away.
