The coastline at Puerto de Mazarron boasts many kilometres of fine unspoilt sandy beaches with safe bathing. The municipality has been awarded the coveted Blue Flag for water quality over consecutive years, and The World Health Organisation recently declared the province of Murcia the cleanest in Spain with the least industrial pollution.

During the long hot summer months, the water temperature rises to over 20C making it ideal for sailing, windsurfing, water and jet skiing as well as providing comfortable bathing. Cyclists will enjoy the quiet country roads. There are many trails and coves to discover and explore for the adventurous. Long distance runners have a choice of on and off road routes.
