One has a modern suite with an open bathroom and is connected to a stylish Mediterranean terrace with over 12 square metres, while the other has two rooms, one of which gives onto the same sunny terrace and a bathroom. All the bathrooms have underfloor heating and electric blinds in the bedrooms. The large, open plan 70 sqm basement receives light during the day from a clever skylight that serves as a garden bench and allows a curtain of light to flow in. Situated on plots of 195 sqm or 255 sqm and with a build size of 162 sqm for the 2 beds and 192 sqm for the 3 beds. There is room for parking at the rear of the villas.
