Hot Properties in Spain are a family business established in Spain in 2002. Since then we have earned a good reputation for going the extra mile for our clients in order to find just the right property - in the right location and at the right price. For over 20 years Hot Properties in Spain have offered a personal property finding service covering a wide area including all of the Costa Blanca, Murcia, the Costa Calida and also Almeria both along the coast and in beautiful country areas too. We guarantee that if we do not have the property that exactly matches your property requirements then Hot Properties in Spain will conduct a FREE thorough search of all suitable properties that are currently on the market. If we find just the right property listed with another estate agent we will arrange the viewing with them on your behalf, subject to your approval. This will save you hours of searching the web. Using our 20 year experience, in depth knowledge of the best locations and our contacts of long standing will offer you the best chance of finding your dream home in Spain. The Hot properties in Spain free service includes helping you organise your NIE number application and visas, opening a bank account, introducing you to English speaking independent conveyancing lawyers of good repute and also currency exchange and mortgage specialists if required.
