Fantastic villa in Montgo-Castellans Javea. A short distance from the historic centre of Javea. The south facing property is situated in a quite area, you approach the property through an electric gate onto the plot with ample parking space. The villa consists of 4 bedrooms, a large living room with fireplace, 2 bathrooms, separate kitchen with access to the external patio for laundry and clothesline use and a lovely new part of it glazed. On the ground floor there is a garage that connects to the basement with toilet and a room with a fireplace. This floor can perfectly be converted into a totally independent guest apartment. On the other side of ...
