These beautiful traditional looking villas are being built in a very nice part of Ciudad Quesada just a 10 minute walk from the nearest bars, restaurants and supermarkets. The development consists of 24 villas with basements which can be finished to living standard or left as storage. All the basements will have natural sunlight and ventilation as there is a lower terrace for each one. The standard villa will have 3 bedrooms and 2 bathrooms but a fourth bedroom with bathroom can be added to the basement level. A private swimming pool and a 40m2 solarium are optional extras. A great looking villa at a good price f...
