Discover this charming two-storey detached house with an underground cave system with 5 rooms, located in the picturesque centre of Freila. This unique property offers countless possibilities and is perfect for a family looking for an extraordinary living space. Upon entering this property, you will be enchanted by the unique features and history it has to offer. The property has been meticulously maintained and is ready for immediate occupancy, but also offers opportunities for minor modifications to make it completely to your liking. On the ground floor, you will find a spacious and fully furnished kitchen, perfect for prepari...

g delicious meals for your family. The cosy living room has plenty of natural light thanks to the large windows, which can also be found in all other rooms of the house. There are also 2 bedrooms and a new bathroom on this floor. Upstairs, there are two comfortable bedrooms and large storage space of almost 50 m2 and a neat bathroom, so everyone has their own private space. The whole house has been thoughtfully designed in the 1970s to create a warm and welcoming atmosphere for you and your family. One of the most remarkable features of this property is the underground cave system accessible from the house and through a private entrance. With five rooms, this unique feature offers a range of possibilities. Use the caves as additional bedrooms, a playroom for the kids, a private office, a gym or let your creativity run wild to create your dream space. The property's location in the centre of Freila means all amenities are within easy reach, while good access both on foot and by car means you can easily explore the beautiful surroundings. Do not wait any longer and seize this unique opportunity to view this extraordinary detached house with cave system in the heart of Freila. Contact us today to make an appointment!
