This beautiful detached villa with views is built on a large plot, overlooking La Marquesa golf course, the club house and out towards the mountains. The location is second to none and you will simply fall in love as soon as you step inside the gate.. But there is a lot more to appreciate with this property, from the ample outside space, private parking and large terraces with sunbathing and outside entertaining areas, to the stunning swimming pool and the sheer practicality of the property. The plot is entered via either the foot or car gates and you can immediately see the space available to you, with a dedicated and cov...

red car parking area to the rear of the house and easily maintained gardens to the front and rear. There are also several covered and uncovered terraces at the front of the house, all of which have incredible views. Entering the main house from the garden, the living and dining areas are huge, with lots of scope to design an individual look if you so desire. The fully fitted kitchen is to one side of the room and there is an access corridor to access the master bedroom, the family bathrooms and 2 guest bedrooms, one of which is currently being used as an office and the other, a storage room. Downstairs we have another, completely self-contained living area, with a second lounge, a small kitchen area and a further 3 double bedrooms, plus storage rooms and a laundry area.
