A residential complex located in San Javier, in the beautiful region of Murcia. We offer a variety of independent and semi-detached villas, all designed with comfort and modern lifestyle in mind. These single-story villas are meticulously designed to maximize natural light and ventilation, creating a bright and cozy atmosphere in every space. Each villa features 3 bedrooms and 2 or 3 bathrooms, offering more than enough space for you and your family. The open-plan kitchen seamlessly integrates with the living room, providing a spacious and functional area for cooking, dining, and enjoying time with family or friends. One of the standout features...

of these properties is the garden with a swimming pool and parking area, giving you the opportunity to enjoy the outdoors and the sunny climate of the Costa Cálida. Additionally, some of the villas also include a private solarium, perfect for relaxing and enjoying panoramic views. In terms of amenities and finishes, the villas are equipped with high-quality materials such as porcelain floors, fully furnished and equipped kitchens, ducted air conditioning, and aluminum windows with motorized blinds for added comfort and security. San Javier, where this residential complex is located, is known for its beautiful golden sandy beaches and warm climate all year round. In addition to enjoying days of sun and sea, you can explore the rich history and culture of the city by visiting iconic landmarks such as the Church of San Francisco Javier and the Municipal Museum. A unique opportunity to live in a peaceful and sunny environment, surrounded by all the comforts and with easy access to a wide range of recreational and cultural activities. If you are looking for a place to settle down or invest in a vacation property, this could be the perfect option for you. Don't hesitate to explore more about this fascinating residential project!
