This villa (being renovated now) is located in a quiet residential cul-de-sac, walking distance to the beach, restaurants and town centre. The property is distributed over two separate floors on a plot with two levels. You enter through an electric vehicle gate into a large parking area with both garage and carport. From the parking area there is a staircase up the pool terrace and the entrance to the principal living level. You enter through a circular open naya and then through glazed doors into the living/dining room, a spacious room with wood-burner and a serving arch from the kitchen. The separate kitchen includes gas hob, oven, extracto...

, 45cm dishwasher and fridge/freezer. Next to here is the house bathroom which includes walk-in shower, vanity unit and a heater. At the end of the hallway is bedroom 2, a double bedroom with built-in wardrobes, and to the left is the master bedroom which has built-in wardrobes and glazed doors leading out to the naya and pool. Downstairs there is a separate guest apartment which is a flat walk from the parking area. You enter into a spacious living/dining room which has a serving arch from a separate area where a kitchenette is being installed. Off the living area there is a double bedroom and next to that is another double bedroom with built-in wardrobes. At the end of a small hallway is the house bathroom which includes a bath with shower attachment. The pool terrace is spacious and private and it enjoys all day sun. The large garage includes the pool pump equipment and has plenty of space for storage, off the garage there are also two large undeveloped rooms which back onto the apartment.
