ine etc. The villa also has a separate, spacious, and well-designed underbuild (64²) with a living room, open-plan kitchen, two bedrooms or 1 very large bedroom (easy to divide the space), a bathroom, and a small storage room. The space is divided by folding panels, allowing it to be converted into one large 60² room in seconds if desired. This is accessed via a separate entrance at the side of the house. It offers convenient, independent guest accommodation or a spacious, separate living/working area. The villa has many additional features, including: hot water via solar panels, extra ceiling insulation, mosquito nets on all doors and windows, hot and cold air conditioning with a dehumidifier in all rooms, gutters and a rainwater tank, a water softener in the kitchen for drinking water, mains gas supply. Sold mostly furnished (details can be discussed). A communal swimming pool is just a few meters down the street. This beautiful villa is located in Ciudad Quesada, near Rojales. The water park is a 5-minute walk away, and shops, restaurants, and bars are also within easy walking distance (approximately 15 minutes). The health center and the fantastic La Marquesa golf course are just a few minutes away by car. Alicante and San Javier (Murcia) airports are approximately a 35-minute drive away, and the beaches are about a 15–20 minute drive away. The typical Spanish seaside town of Guardamar is 15 minutes away, and the popular, more touristy resort of Torrevieja is 20 minutes away. This beautiful villa is ideal for permanent residence or a perfect holiday home in the sun!
