New build villa Finestrat for sale with sea views. Townhouses in Sierra Cortina with 3 bedrooms, home automation, swimming pool and low energy costs. Ideal for living or investing on the Costa Blanca. In the hills of Sierra Cortina, Finestrat, a new residential project is being realised with modern townhouses with sea views towards Benidorm. In this first phase, 11 semi-detached villas will be built. Description The new build villas are designed with a bioclimatic concept and focused on low energy consumption. Large windows provide plenty of natural light and connect the interior with the terraces and garden. On the ground floor, there is a living...

dining room, an open kitchen with Bosch appliances or equivalent, a bedroom and a bathroom. An internal staircase leads to the upper floor with two bedrooms, each with an en-suite bathroom and a private terrace. The homes are built with high-quality materials and are equipped with home automation, electric shutters in the bedrooms, a security door and preparation for air conditioning via ducts. Outside, each home has a landscaped garden with grass, trees and a sprinkler system. The complex also offers a communal swimming pool and a children's play area. Details New build in Sierra Cortina, Finestrat Sea views towards Benidorm 3 bedrooms, 3 bathrooms Bioclimatic design Preparation for air conditioning Communal pool Completion in approximately 24 months Starting price Why view this villa Affordable modern living Excellent quality Low energy costs Central location These villas for sale in Finestrat, Costa Blanca are an affordable option for those looking for a modern new build home.
